

Carlton

Welcome, New York University!

At the Carlton on Madison, we take care of every detail – aesthetic and otherwise. Expertly restored by renowned architect David Rockwell, the hotel combines old-New York opulence with chic modern style. From the cascading 2-story waterfall in the lobby to the Tiffany-style dome presiding over our new restaurant **Millesime** recently rated 2 stars by New York Times.

Each of the 317 guest rooms and suites is handsomely decorated in a palette of calming colors and textures and outfitted with sumptuous custom furnishing. Our luxurious amenities will charm even the most sophisticated traveler.
